### MESSAGE FROM THE PREMIER

Thank you for your invitation to attend the commemoration of 150 years of education at Coburg Primary School. I am unable to attend in person but have prepared this message to mark the occasion.

I would like to wish you all the best as you celebrate the long and proud history of Coburg Primary School. This milestone marks a significant point in the life of the school. Coburg Primary School is a school that has survived and prospered as a result of the commitment of the school to its community and of the community to the school. Providing education to the children of Victoria for 150 years is definitely an achievement worthy of recognition.

Whilst celebrating this milestone it is also important to consider the future. Education is the foundation for a prosperous and fulfilling future for each of your students and for Victoria as a whole. The skills and knowledge that students are learning at Coburg Primary School now will stand them in good stead throughout the rest of their lives. Coburg Primary School can look back on its past with a great deal of satisfaction and should also look to the future with a great deal of optimism and confidence.

I would like to wish you all the best for your celebrations today, and for the future which you are creating together.

**STEVE BRACKS MP**  
Premier
